

FRIARSGATE BASKETBALL ASSOCIATION SPONSORSHIPS/DONATIONS 2011/2012 SEASON

Friarsgate Basketball Association (FBA) is proud to offer another fun-filled season for youth boys and girls (ages 5 thru 18) in the Irmo and surrounding communities. FBA is a non-profit organization run entirely by a volunteer staff of coaches, parents and board of directors. We receive no funding from the town, city, county or state.

For the past 20 years, FBA has offered ALL young people the opportunity to compete in a structured and supervised environment, with an emphasis on having fun, developing skills, learning teamwork and good sportsmanship. Our season consists of evaluations/practices beginning in October/November and then games beginning in January and running through February. FBA's motto of "No Drugs, No Alcohol, No Tobacco" is taught to each player by our volunteer coaches, with an emphasis placed on the harm involved in using such substances.

In order to offer this rewarding program, FBA must charge \$55 per child to cover expenses such as: insurance, gym rental, scoreboards, t-shirts, printing, referees and score keepers. Each year, scholarships are offered to families that would otherwise not be able to afford the cost of participation for one or more children. No child is turned away.

Please help us continue to provide these scholarships to deserving children and/or cover expenses for this wonderful and rewarding community serving program. With the generosity of your financial donation, we can continue to serve the young people of our community. Listed below are the various ways you can help. On behalf of the Board of Directors of FBA, we would like to express to you our sincere appreciation for your consideration and support.
